CHORUS
INTRO A D

Verse 1:

My sweet Jesus, I give my life to you
My Lord Jesus, Lead me where you want to
In Your love, love, love
Make these holy hands
Take my desires and use them where You can.

Chorus:

I will listen for You.
I will stay here if You ask me to
Till you make me move
I will do anything that You want me to
I will wait for You.

Verse 2:

My sweet Jesus, Please take all of me.
And in my weakness, reveal the strength of You my King.
In Your love, love, love
Help me always change
To be more like You so others can do the same.

End:

My sweet Jesus,
My sweet Jesus.
