<b>Chorus</b>

## **Chorus:**

*Gm*

I want You, I need You

*Ebm7 D5 C5*

To lift You higher, higher

*Gm*

I crave You, my Savior

*Ebm7 D5 C5*

Please be my heart's desire

## **Verse 1:**

*C2 Gm Ebm7*

You say to me, have faith just like a kid

*C2 Gm Ebm7*

I've doubted more than Thomas ever did

*C2 Gm Ebm7*

In bitter black to be Your salt and light

*C2 Gm Ebm7*

*F*

Cities on hillsides burning into the night

*C2 Gm Ebm7*

You say to me, have faith the size of a seed

*C2 Gm Ebm7*

Pushing mountains aside, You're all that I need

*C2 Gm Ebm7*

These eyes are lights shining into my soul

*C2 Gm Ebm7*

*F*

Make me die to myself so You can make me grow

## **Chorus:**

*Gm*

I want You, I need You

*Ebm7 D5 C5*

To lift You higher, higher

*Gm*

I crave You, my Savior

*Ebm7 D5 C5*

Please be my heart's desire

*Gm*

I want You, I need You

*Ebm7 D5 C5*

To lift You higher, higher

*Gm*  
I crave You, my Savior  
*Ebm7 D5 C5*  
My Savior

### **Verse 2:**

*C2 Gm Ebm7* You say You're with me to the end of the age  
*C2 Gm Ebm7* To be used by You to seek and to save  
*C2 Gm Ebm7* A step in faith and You calmed down the sea  
*C2 Gm Ebm7* *F*  
You gave it all for a wretch like me

### **Chorus:**

*Gm*  
I want You, I need You  
*Ebm7 D5 C5*  
To lift You higher, higher  
*Gm*  
I crave You, my Savior  
*Ebm7 D5 C5*  
Please be my heart's desire  
*Gm*  
I want You, I need You  
*Ebm7 D5 C5*  
To lift You higher, higher  
*Gm*  
I crave You, my Savior  
*Ebm7 D5 C5*  
My Savior

### **Bridge:**

*C Bb F*  
One thing I know for sure  
*C Bb F*  
I want a life worth dying for  
*C Bb F*  
And one thing I want for sure  
*C D*  
Is to live, to live a life worth dying for
