Chorus

Verse 1:

Dm
Bring to my eyes the highest parts
F
From which I've fallen from
C
And bring me back from the world
Gm
To find my heart's first love

Dm
Reveal to me Your promises
F
And rid me of my doubt
C
Remind me of how lost I was
Gm
Before you searched me out

Dm
Shadows flee at the light of dawn
F
From the old world that I knew
C
And when I die my life goes on
Gm
And still the light grew

Chorus:

Dm *Gm F* *C*
Show me the way to Your heart
Dm Bb C
I need You
Dm *Gm F* *C*
Show me the places where You are
Dm Bb G
I need You

Verse 2:

Dm
By Adam's flesh we're born to sin

F
With black and tainted hearts

C
Our righteousness like filthy rags
Gm
We've lost before we start

Dm
By Your love You made a way
F
You died so we could live
C
Our hearts are Yours forevermore
Gm
It's victory You give

Dm
Shadows flee at the light of dawn
F
From the old world that I knew
C
And when I die my life goes on
Gm
And still the light grew
