Intro:

C# – E

Verse 1:

C# *E*
Find me here, needing You again
C# *E*
You draw near and I hide within
C# *E*
Oh my soul cries for more of You
C# *E* *B*
In my flesh, all but You will do
A *B* *C* *A*
I know I'm still running

Verse 2:

C# *E*
Faithless nights, broken ways of me
C# *E* *B*
Covered lights, who am I to lead

Chorus:

A *B* *C#*
I know I'm still running away
E *B*
Keep my eyes on You
A *C#*
Keep me from running away
E *B*
Keep my eyes on You
A *C#*
Everything else is black

Verse 2:

C# *E*
Hold me still, calm my wayward heart
C# *E*
Take my will, it's so very ugly alone
C# *E*
I'm tired of looking, tired of moving around
C#
Clean what is filthy, make where I'm standing
E *B*
Holy ground, holy ground

Bridge:

C# *A* *B*
Hold me, hold me still, for You are all I have
