<b>Verse 1</b>
<b>Chorus x2</b>

## **Verse 1:**

*Em*            *C*            *G*            *D*  
The cradle ends, the baby falls, it's time to give, to give it all  
*Em*            *C*            *G*            *D*  
The now is here, explosive time, wash me down and wash me now  
*Em*            *C*            *G*            *D*  
To thrive on this, to just know this, that faith is real and real is You  
*Em*            *C*            *G*            *D*  
Astound my eyes, take back my fears, I want sweet You and You is clear

## **Chorus:**

*Em*            *C*            *G*  
We are victorious and that is what we cry  
*Em*            *C*            *G*  
We are victorious and that is what we cry  
*Em*            *C*            *G*  
We are victorious and that is what we cry

## **Verse 2:**

*Em*            *C*            *G*            *D*  
We march so strong, our hearts beat full, we stand on ground to save the souls  
*Em*            *C*            *G*            *D*  
We see one way, we see one truth, we see one life because of You  
*Em*            *C*            *G*            *D*  
I choose no left, I choose no right, revealing hope, cut flesh tonight
