Verse 1:

G
Sometimes the truth and this culture will crowd

Cmaj7 D
I wait for You

C Em D C Em D C Em D C
I'll keep waiting, I'll keep waiting, I'll keep waiting for You

Verse 2:

G
Knowing Your goodness and knowing Your will

Gets overshadowed by flesh unfulfilled
Cmaj7 D
I wait for You

Silence and stillness are easy to break

I find it difficult trying to wait
Cmaj7 D
Trying to wait for You

Em D Em D Am Em D
Restless in my skin, hard to believe You'll be back again, restless in my skin

Children I stand at the door and I knock
