

One More Time

Words: Steele Croswhite

Music: Steele Croswhite, Joseph Young & Randal Topper

released on: 2017 © The Rock Music

Verse 01:

Bm *A* *G*
Place my hands upon the pillars
Bm *A* *G*
For I no longer see
Bm *A* *G*
So much life and time was wasted
Bm *A* *G*
And soon I will be Free
Bm *A* *G*
I can hear their worship
Bm *A* *G*
And praising their false God
Bm *A* *G*
Will use me now to judge them,
Bm *A* *G*
And to punish with the rod?

Chorus:

D *A* *Bm* *G*
Sovereign Lord remember me, strengthen me just one more time
D *A* *Bm* *G*
Sovereign Lord remember me, strengthen me just one more time

Verse 02:

Bm *A* *G*
I can feel the center column
Bm *A* *G*
Its Holding up the roof
Bm *A* *G*
3,000 of them laughing
Bm *A* *G*
For them I am the proof
Bm *A* *G*
But their God's only fabrication

Bm *A* *G*
And you're the great I AM
Bm *A* *G*
Will you use me to now to judge them
Bm *A* *G*
To bring Justice from your hand?

Chorus:

D *A* *Bm* *G*
Sovereign Lord remember me, strengthen me just one more time
D *A* *Bm* *G*
Sovereign Lord remember me, strengthen me just one more time

Bridge:

D *A*
I can feel you in my blood
Bm *G*
Feels like lightening in my veins like holy fire
D *A*
I can feel Your breath of mercy,
Bm *G*
Your redemption rushing through me like Holy life
D *A* *Bm* *G*
Now I feel the walls around me shake with terror at the coming of Your plan
D *A* *Bm* *G*
I can see now how You've used me, how You've called me as this crumbles take me home.

Chorus:

D *A* *Bm* *G*
Sovereign Lord remember me, strengthen me just one more time
D *A* *Bm* *G*
Sovereign Lord remember me, strengthen me just one more time
