[VERSE 1]

F#m D E
I'm needing You as I rose
F#m D E
Needing You more when my head hit the pillow
F#m D E D
Everything in this life is broken to me
F#m D E
I'm needing to know Your will
F#m D E
Needing You more as I'm learning to stand still
F#m D E
I'm not the one who moves
D
You're moving through me

[CHORUS]

A E
Captured by grace
F#m D
As this whole world falls apart
A E D
I find my place in truth, in love

[INTERLUDE]

[VERSE 2]

F#m D E
I'm nothing without Your presence
F#m D E
I'm constantly craving more of Christ in me
F#m D E
And with every question
D
You're my only answer

F#m D E
I'm counting it all as loss
F#m D E
And painful the process as I'm growing in gain
F#m D E
Put to death my flesh
D
And change me with Your love

[CHORUS] X2

[BRIDGE]

Bm F#m
I could never be so proud
A E
That I find myself to be worthy of it
Bm F#m E
Everything about Your grace is gifted
Bm F#m
So many times I'm so misled
A E
That I find myself to be working for it
Bm F#m E
The only freedom I ever find is in Jesus

[CHORUS] X2

[INTERLUDE]

[POST-CHORUS]

Let Your grace fall down on me

Let Your grace fall down
