[INTRO]

F# / G#m / B /// F# / G#m / B ///

[VERSE 1]

F#

“You’re not enough,” I heard it again

F#

“You don’t belong, you’re covered in sin”

B

“You’ll never be free from anxiety”

B

“It’s just who You are”

F#

Every time I’ve tried to change

F#

Made up my mind, it just stays the same

B

Do You want to see all the worst parts of me?

B

Is that who You are?

[PRE-CHORUS 1]

G#m B F#
Here You come running

Before I can even make a move

G#m B C#
And You throw Your arms around me

[CHORUS]

F# G#m
Everything I am, everything I’m not
B
All swallowed up by Your yearning heart
D#m
Somehow You’re pleased

F#

And You want all of me

B C#

All swallowed up by Your yearning heart

[INSTRUMENTAL]

F# / G#m / B /// F# / G#m / B ///

[VERSE 2]

F#

“I’m enough,” I heard it again

F#

Cause I am loved, forgiven, and cleansed

B

Once Your enemy, now You delight in me

B

It’s just who You are

[PRE-CHORUS 2]

G#m B F#
Still You come running

Before I can even make a move

G#m B C#
And You throw Your arms around me

I can hardly breathe

[CHORUS]

F# G#m
Everything I am, everything I’m not
B
All swallowed up by Your yearning heart
D#m
Somehow You’re pleased
F#

And You want all of me

B C#

All swallowed up by Your yearning heart

[INSTRUMENTAL]

[CHORUS] x2
